

Tower Tour Visitor Safety Instructions

Please take time to read this information carefully as you will be required to comply with the restrictions and requirements below.

Tour Details

The maximum number of persons allowed in the tour party is 10.

We apologise: Children under the age of 14 are not permitted on the tour.

Once the tour has started there will be no opportunity for a comfort break.

Tours last approximately 1 hour 30 minutes.

General Information

There are 108 steps to the top of the tower and the spiral stairs are chunky with an above waist handrail.

Flat shoes must be worn – NO FLIP FLOPS

Along various parts of the route there are narrow exits, low ceilings or similar obstacles – your guide will warn you of these but please take care.

Smoking and the use of mobile phones (other than for photos) is prohibited.

Alcohol cannot have been consumed before this tour.

Health

Any visitor with a fear of heights or confined spaces and/or in poor health should consider their suitability for the tour.

The tour is not recommended for those with:

- Breathing difficulties
- Heart conditions (including pace-makers)
- Joint pains – hips, knees or ankle

- . Reduced mobility or balance problems
- Vertigo
- Asthma – asthmatics are asked to ensure that they have their inhalers with them.
- Those who are pregnant are not advised to join the tour.

Please note: The steps near the access door to the roof are narrow and uneven and require passing through a lowered height area before exiting onto the roof. The roof area is sloped and access beyond taped off areas is strictly prohibited.

Please take care.

Your lead guide is in charge of the tour and their instructions must be followed at all times.

The Cathedral reserves the right to refuse any visitor admittance to the tour if any of the above criteria are not met.

Any visitor found not to be following the instructions of the guide, displaying rude or aggressive behaviour and/or endangering the tour safety will be escorted from the tour immediately.

Thank you in advance for your co-operation.

We hope that you enjoy the tour!
