WEATHER FORECASTS

THE GOSPEL READING FOR THIS WEEK IS: Signs of the times (Luke 12: 49-56)

Core extract from the Gospel (Luke 12: 54-56; for reflection throughout the week)

Jesus also said to the crowds,
‘When you see a cloud rising in the west, you immediately say,
“It is going to rain”;
and so it happens.
And when you see the south wind blowing, you say,
“There will be scorching heat”;
and it happens.
You hypocrites!
You know how to interpret the appearance of earth and sky,
but why do you not know how to interpret the present time?’

Gospel prayer (for use throughout the week)

Lord Jesus Christ,
you teach your people
to read the signs of the times.
Open our eyes to the signs of your presence,
that we may serve you as you desire;
for you are our God,
now and always.
Amen.

Things to think about

- What is your favourite kind of weather?
- Do you know any weather related sayings?
- What do you think about climate change?

Things to do

- Make a weather data collection equipment to record, rainfall, wind speed and temperature – research Stevenson’s screens.
- Watch the weather forecast and track how accurate it is
- Paper plate weather chart

You will need: paper plate, pencils or pens, scissors, red card or foam, split pin.

Divide the plate into 4 (or more) sections.

Draw and colour a picture in each section representing a different type of weather

Cut an arrow shape from the red card and attach using the split pin.

Record the weather each day.

Why not share your creations with us? We would love to see what you have been up to! Please email any photos to education@liverpoolcathedral.org.uk or tag @LivCathedral on social media.
