### WIND

**THE GOSPEL READING FOR THIS WEEK IS: The Holy Spirit (John 20:19-23)**

*Core extract from the Gospel (John 20:21-22; for reflection throughout the week)*

Jesus said to them again,  
'Peace be with you.  
As the Father has sent me, so I send you.'  
When he had said this, he breathed on them and said to them,  
'Receive the Holy Spirit.'

*Gospel prayer (for use throughout the week)*

Lord God,  
you gave the Holy Spirit to your people,  
like a mighty rushing wind.  
Inspire our hearts with the same Spirit,  
that we may love and serve you  
all the days of our lives;  
we make our prayer in Jesus' name.  
Amen.

***Things to think about***

- Have you ever been out on a really windy day? How did you feel?
- What does wind sound like?
- Can wind be used to generate power? How?

***Things to do***

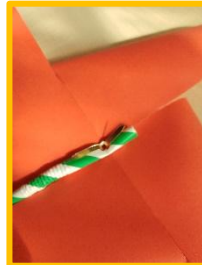

- Make a wind sock to see the direction of wind.
- Investigate how wind speed can be measured.
- Paper Pentecost windmill

You will need: a square of flame coloured paper, pencil, scissors, straw, hole punch, paper fastener/split pin

Fold and cut along diagonal lines to the centre of the paper. Don't cut all the way to the centre!

Punch a hole in each corner and fold to the centre.

Attach the folds to the straw using the paper fastener.

Blow and make your windmill move!
